

ATTENTION
TOWN OF SPRINGWATER
PROPERTY OWNERS

The Town of Springwater is seeking to apply to New York State for grant funding to be used for housing rehabilitation. The funds from this grant will be used for the rehabilitation of substandard properties, which are located within the boundaries of the Town.

Homes must be occupied by persons/families low-to-moderate income as per the table below, and the property must be in need of repairs. Other requirements apply.

The type of rehabilitation work that may be performed under this Program includes but is not limited to the following possibilities: electric, plumbing, heating, roofing, insulation, masonry, windows, doors, painting, interior and exterior carpentry, mobile home replacement.

Pre-applications are now being accepted and a waiting list has been started.

For more information, or if you are interested in receiving a pre-application, please contact the Town of Springwater @ (585) 669-2545. Thank you.
